Equities Analyst Resources, Metals & Mining (mid/small caps)

Well known mid level Broking, Advisory and Wealth Management firm with exciting growth prospects are looking for a lead Resources Analyst to add to their team after 12 months of excellent performance.

Our client has entrenched Institutional Stockbroking, Corporate Advisory, Asset Management and Wealth Management divisions and offers its retail, institutional and corporate clients business partnering. This broking division is a mid sized business that acts like a boutique but has long standing relationships with institutional clients.

These 2 roles will encompass lead coverage of mid cap resources stocks (mainly metals and mining) including forming strong relationships with your clients and providing detailed company analysis on their operations.

The successful candidate will have 4 years + relevant sector stock coverage on the sell side.
