Leading Mid Market PE Fund, Sydney

Analysts / Associates

Our client is a leading Australian and Asian buyout fund with over \$3.5 bio in assets under management across a broad range of industry sectors. It has an enviable investment track record and mid-way through it's 3rd fund, there remains significant capital still to invest in assets across the region. The Sydney based team is looking for 2 new additions, both with strong M&A transaction experience gained within banking or corporate advisory. Experience would range from 3-6 years and include strong modelling/valuation skills and acquisition deal experience. In addition individuals would need to show strong commercial and strategic acumen.

This presents a rare opportunity to join a well regarded and active private equity business.
