

# Head of Legal, Risk & Compliance

**Member of Executive Leadership Team  
Empowered and Challenging Mandate**

The Qantas Superannuation Plan is one of Australia's leading corporate superannuation funds and is run for the benefit of current and former employees of Qantas Airways Limited and its associated companies. The Plan has been operating since 1939 and now has over 33,000 members and assets of approximately AUD \$6 billion.

You will assume executive responsibility for all risk management, compliance and legal matters for Qantas Superannuation Limited, the Trustee of the Plan. Working within the Executive Office, this leadership role will provide best practice advice on Board governance and policies, internal audit management and superannuation industry matters. You will be the responsible executive to the Audit & Risk Committee and will maintain strong relationships with the regulators and appropriately manage the external legal panel and other outsourced providers.

The role will suit an experienced Risk or Legal professional with a background in the superannuation industry. You should have extensive knowledge of the risk and regulatory requirements in order to strike the appropriate balance between technical expertise and commercial judgment. You will effectively consult with the Board, the Executive Office, external stakeholders and service providers, as well as adding value to business thinking and decision making.

This represents a unique opportunity to help drive the continued evolution of the Qantas Superannuation Plan.
